Employee Handbooks

Re-evaluating company policies during difficult economic times

Presenters:

Andy Balaura, LL.B. & Frances Wales, CHRP

A well-drafted employee handbook can limit a company's exposure to litigation risk and liability.

This seminar will cover:

- impact of legislative and case law changes
- the essential policies you need to have
- new policies to consider (e.g., H1N1)
- the most common employee handbook drafting mistakes
- what to avoid at all costs
